Report of Investigation

Mrs. Emily Mary Tyson Moraes, apparently of Chinese race, arrived at Vancouver, B. C. on the SS Empress of Asia, July 19, 1933, having in her possession Section 6 Traveler's Certificate, destined to the United States, and claiming to be the wife of Joseph Souza Meraes, Milwaukee Hotel, King Street, Seattle. Investigation requested by Inspector in Charge, Vancouver, B. C., letter 17200/32 of July 20, 1933.

Investigation discloses that Joseph Souza Moraes, Portugese, born in China, arrived in this country, probably at San Francisco about two years ago; shortly thereafter in company with a Chinese woman named Betty Lam arrived in Seattle about one year ago; they lived together as man and wife at the Milwaukee Hotel, the woman being employed as a chambermaid and Moraes having no occupation; they left owing various bills about six months ago and are reported to be now living in an apartment house at 1555 or 1557 Octavia Avenue, San Francisco.

Considerable mail is being held at the Milwaukee Hotel for these parties, including one letter post-stamped in China during last March addressed to Mrs. Joe Moraes. Also a large photograph showing two women, one being that of Mrs. Emily Mary Tyson Moraes, is included in the mail held. They left the hotel without leaving any forwarding address.

It is thot that Moraes should be investigated in San Francisco on the theory that if he was admitted as a temporary visitor he may be subject to deportation.
